It is our pleasure to invite you to associate with **ASICON 2026**, the **86th Annual Conference of the Association of Surgeons of India**, scheduled to be held from **17th to 19th December 2026** at the **Gujarat University Convention & Exhibition Centre (GUCEC), Ahmedabad**.

For more than eight decades, **ASICON** has been the definitive national platform for the surgical community - bringing together decision-makers, academic leaders, innovators, and practicing surgeons from across India and the region. As we carry this legacy forward, Ahmedabad is proud to host **ASICON** once again, after the last edition hosted here in 2013, in a city known for its vibrant industry, academic excellence, strong healthcare ecosystem, and unmatched hospitality.

ASICON 2026 is expected to welcome a large and diverse gathering of surgeons, residents, academicians, hospital administrators, and healthcare stakeholders - making it a high-impact environment for meaningful engagement with the surgical fraternity. Across the conference, the scientific program will feature plenary sessions, panel discussions, specialty tracks, skill-based learning modules, and research presentations, ensuring sustained delegate presence and strong footfall throughout the event.

For industry partners, this is a strategic opportunity to:

- Showcase innovations and solutions aligned with surgical practice and patient care
- Engage directly with key opinion leaders (KOLs) and senior surgeons
- Build high-quality visibility through targeted branding and on-ground presence
- Strengthen relationships with the decision-making community within surgery

The Trade Exhibition and Sponsorship program has been structured to deliver value across different objectives-brand leadership, lead generation, product demonstrations, academic collaborations, and long-term market positioning.

We invite your organization to participate as an Exhibitor and/or Sponsor and become an integral part of **ASICON 2026**. Together, let us create a platform that advances surgical excellence while delivering strong partnership outcomes for the industry.

We look forward to welcoming you as a valued partner at **ASICON 2026, Ahmedabad**.

ABOUT VENUE

GUJARAT UNIVERSITY CONVENTION & EXHIBITION CENTRE (GUCEC)

Near Helmet Circle,
Memnagar, Ahmedabad.

The Gujarat University Convention & Exhibition Center (GUCEC) in Ahmedabad is a modern venue designed to host conferences, exhibitions, and large events. It features multiple halls of varying capacities suitable for conventions, trade fairs, and cultural events. The center offers state-of-the-art audio-visual equipment, ample parking, and easy access from major roads and public transportation hubs. Its flexible spaces allow configurations for business meetings, exhibitions, and banquets. The GUCEC is part of the Gujarat University campus, providing a professional environment with modern amenities.

2,10,000 SQ. MT. SPACE AVAILABLE
